## SOLARIS 442

Gold Medal® Series

15  
Minutes

The Solaris 442 continues to "wow" both salon owners and tanners alike. The all metal design combined with a brushed stainless steel exterior has taken the industry by storm! The 42 **Wolff®** system lamps produce a deep dark tan in just 15 minutes! Our facial tanning system, featuring **Xtreme Reflection™** technology gives your customers the result they expect and demand.
