Minutes

Gold Medal® Series

velocity™
hp 1000

This radical, futuristically designed tanning bed has taken the tanning world by storm. The open, inviting design is completely unique. With more power than ever, the Velocity Ultra-Pressure tanning bed never fails to impress. This tanning bed provides a powerful ultra-high pressure experience that gives long-lasting color for both fairer-skinned and dark skinned customers. You can be sure no other tanning bed looks or tans like the **Velocity™ HP1000**. Call today to elevate your tanning salon above all your competition.
